Test Case

1. Play the Duel Duo game
    a. Win a game, and see if the "wins" column increases
    b. Lose a game, and see if the "Loss" column increases
2. Click the all bots button to see of the robots

Bug Report

1. When you win a duel, the "Losses" column increase by 1 instead of the "Wins" column
2. When you Click "see all bots" button. Nothing happens.
